Mar. 2&3 - Tues/Wed Okanagan Concert Band Festival - Penticton

As discussed in the fall, both the Grade 9 and Senior Concert Bands are registered to compete at the Okanagan Concert Band Festival on Tuesday, March 2nd. As both groups perform in the afternoon, we will be leaving LVR early Tuesday morning with the bands performing at 2pm and 4pm respectively. It is important that as many students as possible from each band participate as both ensembles are not large and a change in instrumentation can jeopardize our performances. This festival is a regional qualifier for nationals (MusicFest Canada). This trip does require an overnight stay in Penticton at the Best Western Hotel and I will need additional parental support to assist with chaperoning. As well, a driver is needed for my vehicle to haul our luggage and instruments.

Cost is \$50 per students (excluding meals)

Please fill out the information as well as the LV Rogers extra-curricular travel form and return by Tuesday, Jan. 26th. Please note the extra-curricular travel form is double sided and must be filled out and signed on both sides. This form must be submitted for students to be eligible to travel.

Student: _____ (please circle) will will not be attending the Okanagan Concert Band Festival.

I can cannot assist in chaperoning this trip.

I can cannot drive the equipment support vehicle and trailer
