

## **AVALANCHE SKILLS TRAINING BURSARY**

Are you enthusiastic about being in the backcountry in the winter? Do you have the skills to travel safely when you are skiing, boarding or camping on the snow slopes?

The intention of this award is to allow two high school students the opportunity to gain the skills, knowledge and experience to safely backcountry ski or snowboard. The second hope is that this may lead to the student gaining valuable skills that allow them to pursue a career in outdoor education, recreation or guiding.
