February 18, 2019

Dear Parents & Guardians!

Welcome to the **LV Rogers Secondary School Course Selection 2019-2020!**

We are excited to welcome your son/daughter to LV Rogers Secondary in the coming academic year. To help get you started, we're visiting your son/daughter's school to explain the course selection process and to provide them with the following:

- LV Rogers Grade 9 Course Selection Guide 2019-20
- Course Selection Form
- FIPPA (Student Consent: Freedom of Information & Privacy Protection – Google Classroom & MyBluePrint)

Please help your son/daughter complete the **Course Selection and FIPPA Forms**, and sign off on both and return them to your school by **Friday, March 1st** for collection.

Next, we'll be coming back to Trafalgar and Wildflower the last two weeks of March prior to Spring Break to complete course selections online. Our goal this year is to have course selection completed before Spring Break so that we can begin timetabling in April. Your son/daughter should expect to have a draft timetable prior to the end of the school year in June.

Parents, please join us on **Tuesday, February 26th from 7-8 pm in the Gym** for a **Parent/Guardian Course Selection Information Evening** at LV Rogers. A flyer will have been distributed through your school via email.

To support your son/daughter's transition, we'll arrange for **Grade 9 Tours** to LV Rogers in late April or early May, and a follow up **Grade 9 Orientation** on **Friday, August 30, 2019** in the morning.

Sincerely,

A handwritten signature in cursive script that reads "T Malloff".

Ms. Tamara Malloff
