## RE: KOOTENAY SAVINGS COMMUNITY FOUNDATION BURSARY

Kootenay Savings is pleased to once again offer **one award** to a graduating student, based on the following criteria:

*To a deserving student who has demonstrated satisfactory academic performance proceeding into a technology, university, college, or vocational school on a full-time basis. The student or student's parents must be a member of Kootenay Savings.*

Please note the following:

- ✓ The value of the award is \$1500.
- ✓ Before selecting the recipient, the school/scholarship committee must confirm the student or student's parents are members at Kootenay Savings. **A list of potential candidates, along with their parents' names, can be emailed to [aron.burke@kscu.com](mailto:aron.burke@kscu.com) to confirm eligibility.**
- ✓ Payment of the award is made after the student provides confirmation of enrolment in a school for continuing education. At the awards ceremony, a Kootenay Savings presenter will provide a letter of intent to the student.
- ✓ Recipients of Kootenay Savings' awards **must contact our office prior to December 31, 2023** to provide us with confirmation of full-time enrollment in post-secondary school, or to notify us of other intentions.
- ✓ **If a student intends to postpone entry into continued education, the bursary will be held for up to December 31, 2024**, at which time we must receive the enrollment confirmation noted above, or the award will be permanently withdrawn.
