Also, if any, what role has Local 480 played in your family or families that you know? ”*

We shall evaluate those essays on content, accuracy of information, form and grammatical correctness. Essays must be either emailed Jo-Lynne at jo-lynne@usw480.com or submitted to Local 480, no later than, Friday, April 28th, 2023.

Our scholarships are worth \$500.00 each and our bursaries are worth \$250.00. Your school is eligible to receive one (1) scholarship and one (1) bursary.

The scholarships will be awarded first and the bursaries last, based on the following evaluating components:

We wish your students the best of luck and look forward to receiving their essays.

In solidarity,
