 Scholarship
 This Scholarship is Open to All Students

This Scholarship is open to all students. Scholarships may be awarded to any student planning to enter post-secondary study in academics, trades & technologies, arts, and other areas. The criterion for awarding these scholarships is a good school record in a variety of subjects along with strong evidence of leadership, service and volunteer activities to school or community. Financial need may also be a factor.

The Rotary Club of Nelson is part of a worldwide organization whose members believe that they should serve their communities and promote international understanding. One local Rotary project is to provide scholarships to high school students. The Circle Foundation was established to serve Nelson and Area including the awarding of scholarships. These scholarships are supported through fundraising, generous donations from private donors and Rotary Club members.
