

## COURSE SELECTION 2026-2027 **GRADE 11 GOING TO GRADE 12**

### Highlights of Grade 11 to Grade 12

- Career Life Connections and English Studies 12 are MANDATORY courses that all students must complete for Graduation. These courses will be **pre-selected** for all grade 12 students.
- All students should select a further six (6) courses ON THE TIMETABLE.
- Students should complete their course selection to ensure that it fulfills all the requirements for graduation. Please see a school counsellor if you are unsure of graduation requirements or your current graduation standing.
- Students can also select courses OFF TIMETABLE. This allows more flexibility and options for students' coursework.
- You must select a minimum of two (2) alternatives, or "back-ups" for your courses. This will help us build a schedule for you in case your primary requests cannot be fulfilled.
- A second language, to a minimum of Grade 11 is required for certain degrees in certain universities, but not necessary for graduation. If you are considering dropping your second language, ensure you know how that will affect you and your plans.
