Awards and Recognitions

At LV Rogers, we celebrate achievement, but we also recognize contribution, character, and growth.

The L.V.R. Awards recognize students who contribute to our school community through their Leadership, Virtue (Integrity, Empathy and Courage), or Resilience. The LVR Awards are nominated by staff and handed out at the end of each semester.

Academic Honour Roll celebrates Grade 10 students with 8 classes scheduled at LVR and who achieve an average of 86% and above for the school year. Academic Honour roll is awarded at the end of the school year.

The poster features the LVR logo at the top left, which includes a shield with a lamp and a book. To the right of the logo, the text 'LVR' is written in large, bold, blue letters, and 'AWARDS' is written in white letters on a dark blue rectangular background. Below this, the text 'Students may be recognized for demonstrating:' is written in a cursive font. Underneath are three boxes, each with an icon and a list of traits: Leadership (three people icon), Virtue (hands holding a heart icon), and Resilience (person climbing a bar icon). At the bottom, the text 'Celebrating Student Excellence All Year Long!' is written in cursive, and 'NOMINATIONS ARE MADE BY TEACHERS' is written in white on a dark blue background.

Final words of advice

Don't just choose what feels easiest, choose what helps you grow.

Try something new, commit to the work, and stay with challenges when they get hard.

Those are the experiences that shape who you will become. They are what will help you make the most of your time at LVR
