

Mission - We inspire and support each learner to thrive in a caring learning environment

INFORMATION TO SHARE WITH SCHOOL FAMILIES / PARENTS / GUARDIANS

Attendance

Attending school regularly helps children feel better about school - and themselves. You can help your children start building this habit early so they learn that going to school on time, every day is important. Good attendance will help your children do well in school, post-secondary, and at work.

Attendance Counts - Right From the Start

- ▶ Does regular attendance matter when children are young?
- ▶ Starting in preschool and kindergarten, too many absences can cause children to fall behind in school.
- ▶ Missing just one or two days every few weeks can impact their learning.
- ▶ It's never too young to begin developing
